

The background is a detailed, painterly illustration of a dense jungle. It features large tree trunks, thick vines, and various tropical plants like Monstera leaves and orchids. The scene is split horizontally by a semi-transparent white band containing text. The right side of the image has a vertical mirror effect.

TABLERO MARINO / *MARINE PLYWOOD BOARD*

Los muebles de la gama F5 están contruidos íntegramente con tablero marino de 19 mm.

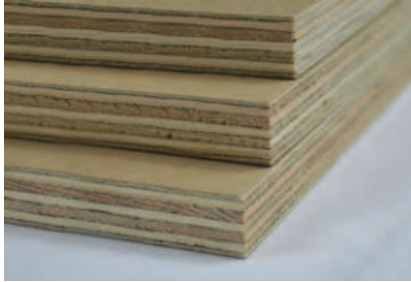

El tablero marino es una madera con una casi nula absorción de agua, 3 veces menos absorbente que un MDF, muy resistente a las condiciones ambientales agresivas como temperatura, humedad o ambiente salino. Tiene unas extraordinarias propiedades mecánicas que le aportan una gran estabilidad y no se hincha con los cambios de temperatura o humedad. Protección antiparásitos.

Es un material ideal para conseguir los acabados de la colección tanto en lacado como en madera laminada.

The F5 range furniture is entirely constructed with 19 mm marine plywood.

See COMPARATIVE properties, Marine plywood is a wood with almost zero water absorption, highly resistant to moisture and heat. It possesses extraordinary mechanical properties that provide great stability and does not swell with changes in temperature or humidity. Anti- Parasite protection.

It is an ideal material to achieve the finishes of the collection, both in lacquer and laminated wood.

DISEÑO / *DESIGN*

El mueble F5, tiene un diseño basado en el inglete a 45°, una terminación artesanal que le aporta un acabado diferenciador.

Los laterales y la base del mueble tienen un inglete invertido con el que se consigue un perfecto ensamblaje y acabado.

El diseño enmarcado le aporta volumen y un juego de luces y sombras que aporta dinamismo al mueble.

The F5 furniture features a design based on a 45° miter joint. A craftsmanship finish that gives it a distinctive appearance.

The sides and base have a machined inverted miter in the form of a rebate that achieves a perfect assembly and finish.

The framed design adds volume and a play of lights and shadows, bringing dynamism to the furniture.

Ideal if the furniture is fitted against the wall without the drawers rubbing during opening.

GARANTÍA / WARRANTY

Gracias a la calidad de los materiales utilizados y el sistema constructivo del mueble permite que la gama F5 tenga una garantía de 5 años /
Thanks to the high quality of the materials used, marine plywood, hardware, and construction system, the F5 range comes with an extraordinary 5-year warranty.

ENCIMERAS Y ESPEJOS / COUNTERTOPS AND MIRRORS

La gama F5 tiene una amplia gama de complementos tanto de espejos como de encimeras. Los espejos retroiluminados con diferentes diseños de tendencia tienen incorporado de serie el sistema antivaho y los sensores de encendido tanto para el antivaho como para la iluminación.

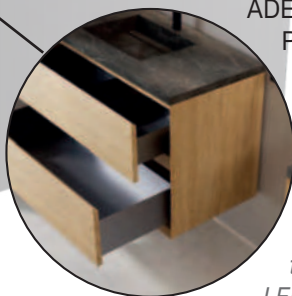

Las diferentes soluciones de encimera integrada en cerámica, solid marble y porcelánico ofrecen unas variantes estéticas muy destacables. La solución porcelánica, un material con extraordinarias propiedades mecánicas y una estética de extraordinario diseño con 3 cm de grosor

/ The F5 range offers a wide variety of accessories, including mirrors and countertops. Backlit mirrors with trendy designs come standard with an anti-fog system and touch sensors for both the anti-fog and lighting. The various integrated countertop materials, including ceramic, solid marble, and porcelain, provide unique aesthetic options. The porcelain solution, a material with extraordinary mechanical properties and an exceptionally designed appearance with a thickness of 3 cm.

CAJONES / DRAWERS

Nuevo cajón Ultraslim, novedad en el sector del baño con un perfil metálico de grosor 2 mm de minimalismo puro. El alto valor estético de este cajón está validado a nivel funcional con una mayor capacidad interior de almacenaje y una regulación en 3 dimensiones (ARRIBA-ABAJO; DERECHA-IZQUIERDA, ADELANTE-ATRÁS) sin herramientas.

Para un mejor uso y almacenamiento el cajón superior tiene una altura de 12 cm y el inferior de 15 cm.

/ New Ultraslim drawer, an innovation in the bathroom sector with a pure minimalist metal profile with a thickness of 2 mm. The high aesthetic value of this drawer is functionally validated with increased interior storage capacity and a tool-free three-dimensional adjustment (UP-DOWN; RIGHT-LEFT, FORWARD-BACKWARD).

For better use and storage, the upper drawer has a height of 12 cm, and the lower one has a height of 15 cm.
